Working session 1: Governance and Management
Governance requires complex interplay between individuals, authorities and the world of work.
- Working session 2: Partnership**
Partnership working is crucial for all those involved in work-based learning promoting increased understanding and more effective delivery.
- Working session 3: Delivery of Work-based Learning**
Successful learning delivery requires effective planning and coordination and active support for learners.
- Working session 4: Information, Counseling and Promotion**
Consider your audience, and their expectations, prior to launching promotional activity.
- Working session 5: Development of Work-based Learning**
Learning environments often change yet clearly-defined learning outcomes are easily transferred.
- Working session 6: Capacity-building among Teachers and Trainers**
Remember to invest in the development of managers, teachers and trainers.
- Working session 7: Evaluation and Quality Assurance**
The benefits of work-based learning are assured only by the quality of work-based learning.
- Working session 8: Assessment and Recognition**
Consider how learner achievement will be measured, from the outset, and with what ultimate goal.
- 17.30 – 17.40 **Closing of the day**
- 19.30 **Dinner**
